

Here are the guidelines of video recording for your presentation:

1. Video recordings (.avi, .mp4, and .flv) of virtual presentations will be played at ICO-ISOL YouTube Channel:

<https://www.youtube.com/channel/UC2XkW6XLY34Wr-uph5i6xOA>

2. Time allocated for the virtual presentations is as 7-10 minutes for video recordings. Virtual presentations ought to be submitted before 10 March 2023 for technical arrangements.

3. By sending an e-mail to intelligentia.resources@gmail.com you can submit your video recordings. Video size is kindly requested to not exceed 100 Mb.

4. Following the submission of the video recording, the presenter should add following information to the mail content;

- a. Paper Title
- b. Submission ID
- c. Name

5. Please include the ICO-ISOL background in powerpoint slide and your presentation in the video recording. We recommend "Screencast-O-Matic" program for video recordings. Kindly download the original program from this

link: <https://screencast-o-matic.com> .

6. You can watch Youtube tutorial for video recordings and easily prepare your virtual presentations via this
